Funding

**$24.8 M**

Total funding awarded to 45 faculty

- **$16.2 M** from National Institutes of Health
- **$19 M** federally tax-funded

Faculty

- 45 were awarded grants
- 40 served as PIs or MPIs

100% of faculty in pharmacodynamics and medicinal chemistry are federally funded

Research

- **6-person** research team processed
- 161 PI proposals totalling **$188 M** and
- assisted with 55 Co-I proposals totalling **$165 M**

Notable Awards

- Clarivate Analytics Highly Cited Researcher Award, Dean Julie Johnson
- Fellow of American Chemical Society, Dr. Jane Aldrich
- 2018 ASHP Award for Sustained Contributions to the Literature, Dr. Rhonda Cooper-DeHoff
- AACP Excellence in Achievement Award, Dr. Gunther Hochhaus
- Claude Pepper Jr Scholar, Dr. Scott Vouri
- 2018 ASHP Pharmacy Practice Research Literature Award, Dr. Almut Winterstein

Publications & Patents

- **412 total publications**
  - 207 faculty senior author
  - 114 trainee first author
- **6 total patents issued**
- **51 total patents filed**
Students

- **108** total students
- **102** Ph.D. students
- **6** Master’s students
- **68** international students
- **40** U.S. citizens
- **12** underrepresented minorities

Research Showcase

- **81** Posters Presented
  - **44** graduate students
  - **16** postdoc
  - **21** Pharm.D./undergrad

Stipends

- **$29,899** mean stipend
- **$43,410** mean for Pharm.D. holders
- **$28,122** mean for B.S. or M.S. holders

Student Awards

- 13 extramural travel awards
- 9 extramural awards for best abstract, poster or paper
- 4 McKnight Fellowships
- 2 ASCPT Presidential Trainee awards
- 1 AFPE Fellowship

Graduates

- **20** graduates in 2018-19
